## 3LB Series LED for Reach-In Door & Multi-Deck Canopy & Shelf Lighting

The 3LB Series is the Next Generation LED Light Fixture from 1 Source LED. This is the only universal LED light fixture that is designed for both Reach-In Door and Multi-Deck Display Case Shelf Lighting, as well as canopy lighting. Eligible for Tier 1 level rebates for most utilities, with **DLC Certification**. Fit with multiple mounting options, either magnets or clips, the 3LB is the easiest LED retrofit option on the market today. The 3LB Series is the future of LED case lighting and its performance is unmatched by any competitor light fixture. Call your sales rep for a visit so they can prove it to you!
