Tired of paying OEM prices and dealing with 6 week lead times for ends?

We have a solution for you! Smpw has been making the highest quality case ends for years. We not only have templates for hundreds of case models in use today, but we build almost anything from a drawing or template\* in the rare instance we don't have a template in-house for what you need. Please give us a call for price and availability for your ends today! **Toll free 800-767-9855.**

- While we have hundreds of templates in house, just give us the model # and specifications of your ends, and we'll do the rest. We would appreciate if you would please follow the guide on the following page. We can make your ends exactly as you want them if you let us know exactly what you need in a clear manner. In some cases we do ask for a cardboard template as these are custom built.
- Dairy cases, door cases, meat cases, service cases, you name it, we can do it!
- Solid core or Styrofoam core ends available built to OEM specs (we know what you need from the model #)
- We can match almost any OEM paint color
- Unpainted finishes available: aluminum mirror, stainless steel mirror (additional charges may apply)
- End trim types available include standard satin silver, bright anodized silver, black, gray, or pearl gray
- Boxed (rectangle) or contoured ends
- Common ends
- Holes pre-drilled for mounting on OEM cases available on most case ends
- Smpw requires a hard copy purchase order for all case ends orders, please go on line to fill out a convenient order form and follow the next page for a guide to how to properly order. Give us as much information as you can to describe exactly what you want.
- Complete case model #
- When looking at the front of the case, lh, rh, or a pair
- Interior color or finish
- Exterior color or finish
- Trim type: Standard Satin Silver, Bright Anodized Silver, Black, Gray or Pearl Gray
- Must specify boxed (rectangle) or contoured end
- Must specify if we should pre-drill the holes for mounting (when available)
- Custom requests are always available on end panels. Please ask your customer service representative at time of quote.

**Smpw case ends are of the highest quality, and we guarantee we can save you time, and most importantly, money, so give us a call!**

\* Plexiglass partitions are available, for an additional charge, for contoured end panels. Please request pricing if interested.
